“FUN”-RAISING WITH CAT’S MEOW VILLAGE

WOOSTER, OH – In addition to their wonderful assortment of themed product, available nationally, Cat’s Meow has also distinguished its product as a unique way to raise funds with nonprofit and public organizations across the country. Schools, churches, historical societies, and many other organizations have raised eyebrows and funds in their communities by commissioning Cat’s Meow custom pieces to sell at their fundraising events.

The low minimums and quick turn-a-round times make it simple and affordable. Their fundraising programs are only limited by your imagination. For larger quantities, their custom design program is a purr-fect fit. They can create buildings, accessories (like statues, signs, or mascots), ornaments, and scenes (like a park or downtown scene).

Share your home or business!

Looking for small quantities? Their My World® program can turn any photo of an architectural structure into a miniature replica that will include your personal story on the back. Obtain a detailed rendering of your family home or business and share it with others. These unique keepsakes include Casper, their trademark black cat.

Share a special photo!
